Memorial Day is a U.S. federal holiday observed on the last Monday in May to mourn and honor military personnel who died in service. Originally called Decoration Day, it was established after the Civil War to honor fallen soldiers by decorating their graves with flowers, now often marked by flags. Meals on Wheels offers our sincere gratitude to our veterans and families.

Please note that our office will be closed in observance of Memorial Day on May 25th. Our clients will receive a bagged lunch the Friday before on May 22. Normal delivery will resume on May 26th.

Mother's Day is a celebration honoring mothers, maternal bonds, and the influence of mothers in society, commonly held on the second Sunday of May in the US and many other countries. It is a day to show appreciation for mothers, grandmothers, and mother figures. Founded on the shared compassion of two mothers, Marguerite & Eunice, Meals on Wheels of Pasco honors their legacy by nourishing hundreds of seniors every week.

Volunteer Spotlight: Jim Taggart

Jim is the kind of volunteer who makes Meals on Wheels feel like family. After retiring and moving to Dade City, volunteering was right at the top of his to-do list. He found Meals on Wheels, **and three years later, he's still going strong.**

Jim drives Route 10 every Friday, and if a driver is ever needed on other days, he's happy to step in. **That kind of reliability is the backbone of what we do.**

Ask Jim what his deliveries look like, and you won't hear about mileage or logistics. You'll hear about people.

"The people are always happy to see me," he says. **"I try to make them smile and talk."** For Jim, it's never just about dropping off a meal — it's about connection.

That connection runs both ways. When asked what part of the Meals on Wheels mission resonates most, Jim doesn't hesitate: **it's the people he works with and the people he delivers to.** The most rewarding part? **The feeling he gets after he's done and heading home, knowing he made a difference in someone's day.**

Jim says he can't point to just one memorable client interaction — and maybe that's because every visit matters to him equally. What has stuck with him, though, is the wisdom the seniors share. **"Hard to believe that the wisdom is out there and they are willing to share,"** he says.

When he's not volunteering, Jim stays busy with home repairs and improvement, golfing, and helping others however he can. His hobbies include traveling, playing cards, and swimming. And if you're curious about anything else? **Jim says he's "an open book — ask and I'll tell you."**

We're grateful to have Jim on the team. His warmth, dependability, and genuine care for our clients make him a true Meals on Wheels Pasco treasure.

Thank you, Jim, for everything you do!
